INTERNSHIP OFFER LETTER

Bilavath Shiva
Software Developer Intern
College: Vaagdevi College of Engineering

Dear Intern

We are pleased to offer you a 1-month internship at **Micro IT** as a Software Developer in Python Programming. This internship is unpaid, but based on excellence, a post-internship opportunity with **Stipend up to ₹15000** can be given by Micro IT. Your internship batch starts on 15 May to 15 June 2025, and submit your projects as soon as you complete and before 15 June 2025.

Points to remember

- You have to develop any two projects from the given projects list in your own interested programming languages.
- You can also submit your projects before 15 June.
- You can join the Micro IT by post internship opportunities after completion of this internship.

Looking forward to working with you!

With Best Wishes,

Mr. Vijay Kumar
Founder, Micro IT
